

To get to the VSimulators Building

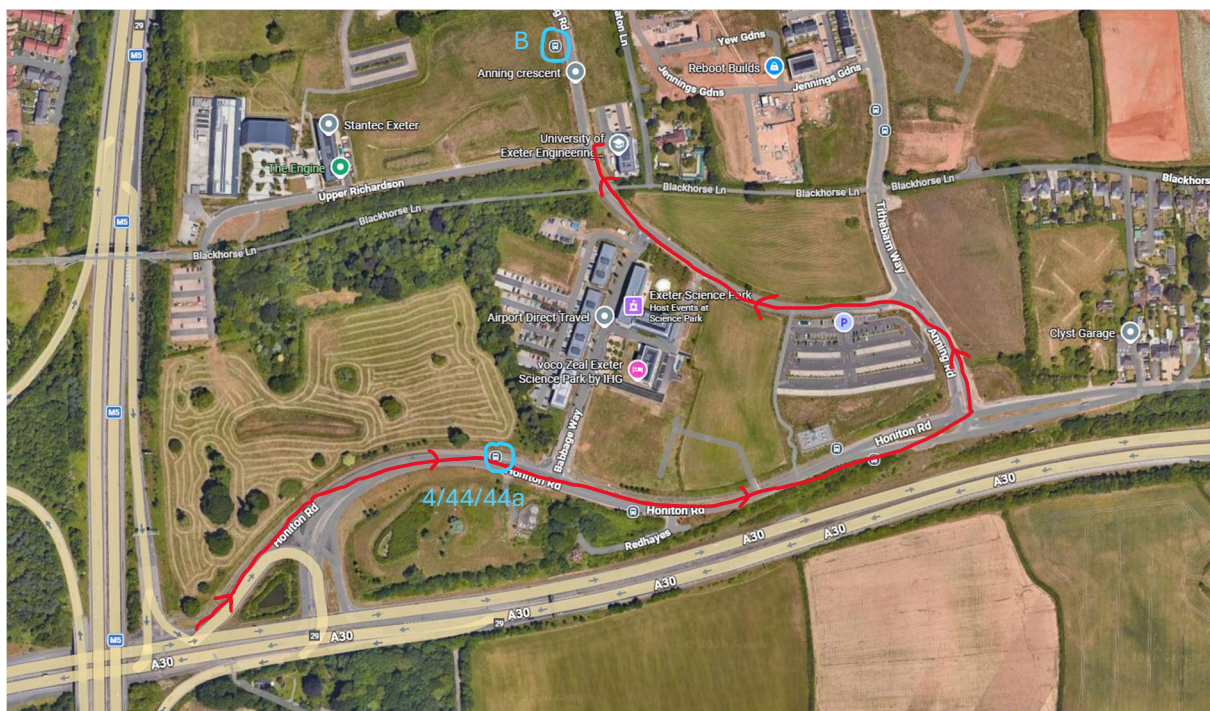

The address is:

University of Exeter Engineering Research Centre,
Anning Road,
Exeter Science Park,
Clyst Honiton,
Exeter,
EX5 2FN

The what3words location is ///modest.snail.unopposed

Driving

To get to there from the M5, turn off towards the Exeter Science park at Junction 29. Follow Honiton Road to the turning to Tithebarn Way. This is traffic light controlled. Turn down Tithebarn Way, then take the first left down Anning Road (past the park and change). Follow this road, and the VSimulators (University of Exeter Engineering Facility) is the first building on the right.

Public Transport

The 4/44/44a bus routes pass the Exeter Science Park, and the facility is a short walk up the road to the laboratory. The 4 bus runs regularly from Exeter St Davids station. The 4 bus runs from Cranbrook, the 44 from Honiton, and the 44a from Axminster.

The B bus route stops directly outside the building. This bus runs from Exminster, and passes Exeter City Centre.
